Attachment F: Suggestions of RAB members and NHA's Response

Members of the RAB commented on proposed CFP projects. They were pleased to have storage buildings and outdoor seating installed at the elderly unit areas. Items given highest priority by the residents were replacement of cabinets in the elderly units and closet door replacement in the family units. Other items added to the expanded 5 Yr Plan at the behest of the residents was a back up lawn tractor, which maintenance had requested, the repair and resurfacing of streets in the Johnson Drive complex and beginning the addition of porches at specific unshaded units in 49-03. All requests were approved by the Board and entered into the expanded 5 year Plan. A resident request expressed in the 2002 Plan, covered parking, was deemed by the Board as too difficult to provide equitably and maintenance, curb appeal and resident safety were the determining factors in denying this resident request at this time. This was discussed with the RAB.
